

# Among Friends

## The Plaza Is Beautiful

The Friends of the Library Bike Racks are being used by bikes of all sizes.

## PRESIDENT'S MESSAGE:

### FOUR TONS!!!

Greetings from your president. I know that this is not the usual way to start the new president's message, but this is my second term, so I thought that I would explain why I am doing this again.

It's the FOUR TONS. The job is fun. The other Board Members are a fun bunch (come to a meeting and find out). The librarians are a fun group of people. But it is really the book sale that has me going.

In the last 12 months, the Friends have either sold or donated to the community over FOUR TONS of books as part of our book sale. The money from the sales goes to fund a number of children's and teen programs that otherwise would not be there. But just as important, we have put back in circulation FOUR TONS of books.

So come and work at the book sale and help move the next FOUR TONS of books (or just come to see all the smiling faces that are there).

Duane Bond President
